Thank you for your interest in Pump and Splash!

All of our water features are built by hand, are sturdy, and kid tested. Prices include delivery in the Los Angeles area and come with a one year warranty. **Pumper** can be built in a week, **Wheelie** takes about 3 - 4 weeks. Orders require a 50% deposit before production begins.

"Pumper" \$350 + tax

"Wheelie" \$925 + tax

A yearly maintenance plan is available which includes a checkup to check the seals, lubricate pump, touch up paint, and check for damage. This additional program is \$75 per pump per year and can be purchased anytime.
